NORDIC COMPANY ORDERING INSTRUCTIONS:

COLOR CODED PLASTIC SHIMS

To place an order, please provide the following information:

- Outside Diameter (OD)
- Inside Diameter (ID or Arbor OD)
- Width and Depth of Keyway (w x d)
- Quantities of each thickness

Clearances

We make all slitter shims with clearances to fit over the arbor and not extend above the spacers.

	Less than 10" OD	10" OD and larger
OD	-1/32"	-1/16"
ID	+1/32"	+1/16"
W x d KW	+1/32"	+1/16"

Example	OD	ID	KW	OD	ID	KW
Size Ordered	8	6	1 x 1/2	12	10	1 x 1/2
Actual Size	7 31/32	6 1/32	1 1/32 x 17/32	11 15/16	10 1/16	1 1/16 x 9/16

Prices

Although all sizes of shims can be furnished, prices are based on the outside diameter. Prices are determined by rounding up to the next highest OD on the price list.

Nordic Company can provide these additional plastic shim products:

- Plastic shim stock (for making special shims)
- Scrap chopper shims
- Shear blade shims
- Other mechanical assembly shims

OVERARM SEPARATOR SPACERS

Before placing an order, please provide the following information:

- Outside Diameter (OD)
- Inside Diameter (ID)
- Quantities of each thickness
- Material (Phenolic or Nylon)
- Tolerances (if different than standard tolerances)

Standard Tolerances

OD: $\pm .010$ "

ID: $+ .005$ to $+ .012$ "

Thickness: $\pm .003$ "

*We can match banding grooves in your spacers.

Prices

Prices are given on a quotation basis and are determined by the size, quantity, and material of the spacers. Please call or fax for a quotation.

RUBBER STRIPPER RINGS

To place an order, please provide the following information:

- Outside Diameter (OD)
- Inside Diameter (ID)
- Quantities of each thickness
- Durometer Hardness 50-80 Shore A
- Color Preference
- Tolerances, including ID fit (Tight, Snug, Loose)

Prices

Prices are given on a quotation basis and are determined by the size, quantities, durometer, and color of the strippers. Please call or fax for a quotation.
